PROFILE STATEMENT

A motivated and adaptable Computer Science graduate with a strong foundation in competitive programming and hands-on experience in developing web applications using Django and Node.js. Interested in leveraging technical expertise and passion for software development in a dynamic and innovative environment. Looking for an entry-level software development role to contribute to impactful projects and grow as a professional.

TECHNICAL SKILLS

- **Programming Languages:** Python, JavaScript, C++, Java
- **Web Development:** Django, Express JS, HTML
- **Databases:** MySQL
- **Other Expertise:** Git, Web Scrapping

EDUCATION

Rajshahi University of Engineering and Technology   Jan 2020 – June 2025
Bachelor of Science in CSE, CGPA: 3.64   *Rajshahi*

Cumilla Shikkha Board Govt. Model College   Jul 2017 – Sep 2019
HSC in Science, GPA: 5.00   *Cumilla*

PROBLEM SOLVING

- Secured 74'th position among 300 teams in ICPC Asia Dhaka Regional Contest 2024 (Team name: RUET_CrossGuild).
- Expert (Max Rating: 1675) at Codeforces.com.
- Solved 1500+ problems on Codeforces, Leetcode, Atcoder and Codechef.
- Secured 25'th position among 2489 teams in the ICPC Preliminary Dhaka Site 2024 (Team name: RUET_CrossGuild).
- Secured 22'nd position among 130 teams in AUST IUPC 2025 (Team name: Team_name_khujchi).
- Secured 64'th position among 160 teams in the UIU IUPC 2025 (Team name: RUET_Raptors).
- One of the problem-setters at GyanJam 2024 (Intra-RUET Programming Contest 2024).

PROJECTS

Event Management System | *Python, Django, HTML, Bootstrap*

- Developed Event Management System built using Django for organizing and managing events as my 5'th semester project.
- Allows users to create, manage, and participate in events for RUET Auditorium.
- User authentication system for secure access.
- Join or leave events as a participant.
- View a list of upcoming events.
- Order foods in the events.
- Edit and delete events you've created.

Note Taker (Backend) | *Express JS, Prisma, SQLite, JWT, bcrypt, Zod*

- Built a backend application that enables users to manage notes after creating an account while learning about Express.
- User Authentication: Create an account, login/logout securely using JWT.
- Notes CRUD Operations: Create, Read, Update, and Delete notes.
- Secure Password Storage: Passwords are hashed using bcrypt for security.
- Validation: Zod schema validation ensures data integrity.

INTERESTS

- Software development with a focus on building efficient and scalable applications.
- Exploring innovative solutions and continuously learning new technologies.
- Problem-solving and Algorithmic Design.
